

About me

Having a passion for both design and art, I enjoy bringing them together in my work.

In my free time, you will probably find me sipping on kadak chai, reading fiction, binge watching TV shows, or out on a spontaneous road trip.

Education

2017-21 *Graphic Design and Visual Communication at École Intuit Lab, Mumbai.*

Painting, Sketching, Murals, Lino Printing, Metal Etching, Wood Carving, Furniture Painting, Origami.

Culture

I'm extremely interested in music as an art form; I can play the flute, the harmonium and the kettle drum, along with having a degree as a vocalist. I also have self-taught knowledge and practice in hair cutting and creative colouring, fashion, and makeup.
